CORRESPONDENCE: We received notification from Twin Ports Lawn Care stating Ellsburg is on the schedule to be sprayed this summer. Clerk to call to clarify what the spraying is for, and ask that they don't spray until supervisors have approved.

RESIDENTS AND GUESTS:

- Jeff Dulinski gave a summary on a public meeting held at Clinton Town Hall by The Range Association of Municipalities and Schools (RAMS) with community and city ambulance service providers where they discussed the current state of ambulance service in northern Minnesota. Bottom line is they are short on funds and personnel, and the current personnel are overworked and underpaid. What this means to Ellsburg Township is that we are not always guaranteed an ambulance when we need one. If you have
