

Road Review 2016

April 20, 2016

The Road, Grounds and Buildings review meeting took place on April 20, 2016 at 10:00A.M. Board members Joe Caple, Brandon Cavanaugh, and Arrlette Krog were present as well as Clerk Barbara Cavanaugh and Deputy Clerk McKenzie Clinton. A suggestion was made to start a log that was exclusively for the maintenance that was done on the roads, grounds and building, and how much money was spent on it. Arrlette Krog suggested that Ellsburg Township should have a policy in place concerning the sale of township gravel to township members.

The Following maintenance needs to be completed on the corresponding roads, grounds and buildings:

Cemetery Road: needs grading and to be brushed out on both sides.

Young Lake Road: needs grading

Sheldon Road: needs grading

West Mink RD: needs grading

Blackburn Drive: needs grading, mileage was measured at .4 miles

North Waterhen: needs grading, mileage was measured at .7 miles

Nelson Road: needs grading and gravel added

Melrude Fire Hall: some exterior painting is needed

Melrude Town hall: discussed moving flag pole to more practical location, some exterior building maintenance is needed, discussed filing in ditch in the front of the building and turning it into parking spaces

Melrude Playground: discussed the need for maintenance on the playground equipment, including replacing a swing, painting the turtle climber, and replacing the plastic slide. Also discussed adding a basketball court in the field behind the play equipment, discussed adding an outbuilding and adding gravel around the merry-go-round, Joe Caple will get estimate for the cost of the basketball court

Bass Lake Fire Hall: interior lights needed to be replaced, new "No Parking" signs needed, poles in front of the doors were painted,
